

Dawson County Humane Society

a no kill shelter

SPONSORSHIP APPLICATION

The Dawson County Humane Society has been caring for and finding homes for homeless animals since 2008. We accept all animals from Animal Control and yet we are no-kill. What an accomplishment that is! We have found homes for over 10,000 pets since we opened our shelter doors.

We are asked by many animal lovers how they can help us keep our mission and passion going. We are introducing sponsorships with which you can help Dawson County's stray animals. All donations go directly for the care of our sweet animal residents. When you donate, please mention which sponsorship you are choosing so that we can make sure to get your information on our sponsor page on our website.

For the top three levels shown below you'll receive a certificate of appreciation that can be displayed. Also, businesses at these levels will be welcome to have a 10x10 booth at our annual yard sale. The levels of sponsorship are:

Grand Champion: Donations of \$25,000 or more
